The Glen Cove Senior Center staff hopes that all of you have been healthy and safe during this unprecedented time.

While we do not have a reopening date scheduled yet, we would like our members to complete the following questionnaire. Once reopening occurs and we welcome you back, the Center will have new restrictions and guidelines, due to the pandemic, such as shorter hours and limited people and programming in the building. We will also be requiring reservations in advance in order to accomplish this.

In an effort to make the Center available to as many seniors as possible, we may need to place limitations on the number of days each senior can attend. We will also continue to deliver meals for a short time to those of you not yet ready to return.
